Euroscicon has been successfully executed Quantum and Plasma Physics Conference. We must thank all our attendees, Park Inn by Radison Stockholm Hammarby Sjostad Hotel, Conference Centre Staff, the Organizing Committee, Ad-Sponsors, Media partners and everyone else that helped to make this Euroscicon Conference on Quantum and Plasma Physics with the theme, Precocious transformation of Plasma and Quantum Physics a huge successful conference.

The key Focused Highlights for our Quantum and Plasma Physics 2019 Conference were Quantum Physics, Quantum mechanism in Plasma, Quantum theory and computation, Quantum Technology, Quantum Optics, Plasma Physics etc.

Some of the Eminent Organizing Committee Members for Quantum and Plasma Physics 2019

Apollonov Victor Victorovich, Head of Department, Prokhorov General Physics, Institute of RAS, Russia

Alman K Roy, Associate Professor, Theoretical Chemistry, IISER, Kolkata

Maxime Delmee, Doctor, Independent Researcher Luxembourg

Timothy Fulton Johns, Doctor, Dental Surgery, University of Tennessee Health Sciences, USA.

Anna Backerra, Doctor, Theoretical Physics, Independent Researcher, Eindhoven University of Technology, Netherlands

Notable Speakers of Quantum and Plasma Physics 2019

JOHN SEELY, Artep Inc, USA

GILLES COURRET, University of Applied Sciences and Arts, Switzerland

VIJAYAN ASARI, University of Dayton, USA

TAIICHI OTSUJI, Tohoku University, Japan

YUKIO TOMOZAWA, University of Michigan, USA

GEORGII MALASHKEVICH, B.I. Stepanov Institute of Physics, Belarus

DAVID LEVY, Instituto de Ciencia de Materiales de, Madrid, Spain

JOSE POZO EPIC " European Photonics Industry Consortium, Netherlands

CHARLES JOENATHAN, Rose-Hulman Institute of Technology, USA

ALEKSEY MIKHAILOVICH POLUBOTKO, A. F. Ioffe Physico-Technical Institute, Russia

AMILAN K. ROY, Indian Institute of Science Education and Research, India

Finally, Quantum and Plasma Physics 2019 gave justice to the theme "Precocious transformation of Plasma and Quantum Physics"

All thanks to our Media partners also for associating with us.

Conference Crowd Reviews, Manuscript Edit, Placid Way, Tabeeby, Elsevier, JSB Conference, Medtube, Scidoc Publishers, Paper Crowd etc.

SAVE THE DATE, Quantum and Plasma Science 2020 is coming!

Followed by the Successful execution of the Quantum and Plasma Physics Conference, We are hosting our next version "6th EuroSciCon Conference on Quantum and Plasma Physics" in Amsterdam, Netherlands on February 21-22, 2020.

The theme focused for the [Quantum and Plasma](#) Science is Advancements in Quantum and Plasma Physics. We anticipate all of you sharing your amazing information, examine thoughts and to make a sprinkle with new improvements at this 2-days occasion.

This time we have included some new features for our [Quantum and Plasma Science Congress](#)

Quantum Physics, Quantum mechanism in Plasma, Quantum theory and computation, Quantum Technology, Quantum Optics, Plasma Physics etc.

[Quantum and Plasma Science 2020](#) aims to bring all the Physics professionals for our [Quantum and Plasma Science Meeting](#) to interact and share their knowledge and their newest research to the entire Physics streams.

Quantum and Plasma Science Event is expecting more than 200+ Participants to enlighten the program. This time the [Amsterdam Quantum and Plasma Science Conference](#) will organize several Oral and Poster Presentations/Networking Sessions/Workshops/Symposiums/Exhibition as we have introduced some new tracks to bring in more participants. We are looking forward for the [Amsterdam Quantum and Plasma Science 2020](#) Conference to be successful just as the Amsterdam Quantum and Plasma Physics 2019 Conference!

We cordially invite all the Engineering, Physics, Science and Technology Professionals, Delegates, Researchers, and Students to make your physical presence in Amsterdam, Netherlands on February 21-22, 2020.
